Features

- 1) Students can register themselves on this window before logging into the ERP system
- 2) User friendly and easy to use interface for students.
- 3) Students can login after acceptance from admin

FEATURES OF ERP SYSTEM.

- 1) Fully integrated user-friendly ERP solutions
- 2) Customizable as per customer needs and requirements.
- 3) Ensures effective support, retrieval and efficacy of data.
- 4) Better Control-Standardization of processes and quick access to information leading to better control on system.
- 5) Smooth information flow and accessibility to data / reports enable quick decision making.

ERP SYSTEM

List of configurable features

Dashboard

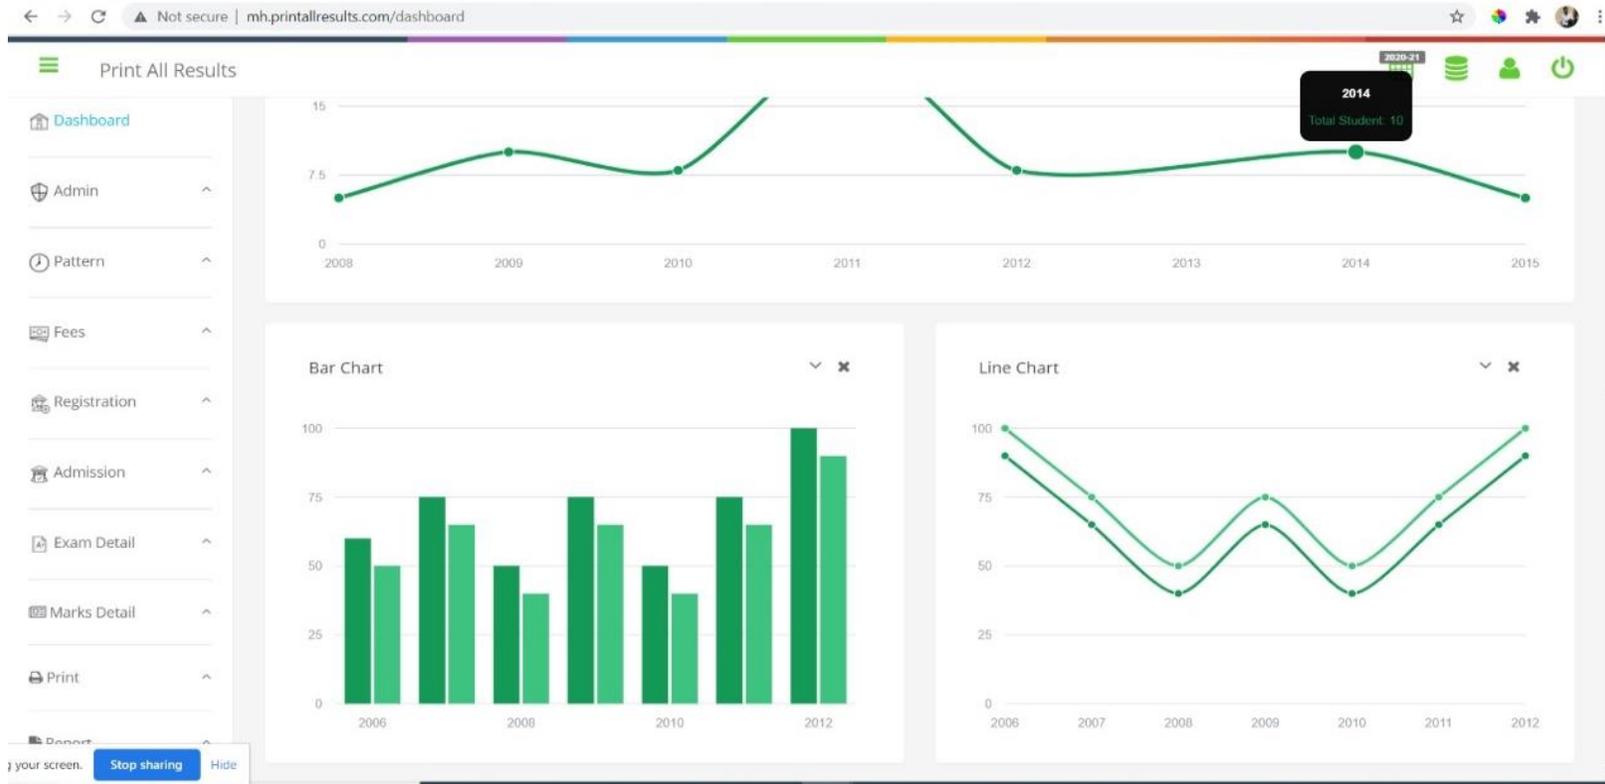

CONS of old-school system

- 1) No proper database of student record.
- 2) Lack of efficient system for management.

PROS of ERP system

- 1) Sophisticated system.
- 2) Well maintained database.
- 3) Easy to find record and information.

ERP SYSTEM

Graphical view

A pictorial and graphical representation of the data in dashboard makes it easy to analyze the trend and deduce results.

CONS of traditional system

- 1) Dependency on 3rd party vendors for marksheet printing and formatting.
- 2) Lack of an efficient system for handling data

PROS of ERP system

- 1) No dependency on any vendors
- 2) Localized database
- 3) Reduction in man hours required
- 4) Ready to print system

DATA BACKUP

One click data backup

Features

- 1) No need of vendor agreement to backup data locally and restore it.
- 2) Institutions can request for backup and store them as per their requirement.

COMPARISON

- Time consuming and hectic process
- Difficult to keep record and access database.
- Need to use technology for smoothening process.

- Efficient and fast
- Easy to maintain database and access it.
- All in one solution for management problems.

THANK YOU

The image features a dark blue background with a glowing cyan network of lines and nodes, resembling a molecular structure or a data network. The network is composed of interconnected points and lines, creating a complex, geometric pattern. The color transitions from a deep blue at the bottom to a bright cyan at the top, creating a gradient effect. The overall aesthetic is futuristic and technological.
